"THE GREAT CIRCUS MYSTERY"
Episode #7 - "The Harvest of Hate"
An Adventure Picture

* * *

Adams has the sacred ruby and two parts of the missing 'peril pact'. Landow and Darrel smash their launch against the boat in which Trixie is being carried off in and they climb aboard. After a brisk battle Landow and Darrel win and return to shore, deciding to appear in time for the afternoon performance.

Natchi, an oriental women, comes to aid the sand diviners. She meets the mystery man and presents a ring to prove her association in the pact. The mystery man takes the ring and tells her that he is going to do something drastic.

Landow battles Adams after the latter knocks out Darrel in Trixie's tent. Aided by his henchmen, Adams wins and Landow is knocked unconscious. The missing third of the peril pact which Trixie has, is lost in the scuffle.

The waif of the circus prowls about and finds the sacred ruby which Adams hides in his tent. The child wanders over to the lion cubs. The mother of the cubs breaks through and knocks the child down.

His foster father, the chief clown of the circus, hears the dreadful tidings but goes on with his act- 'the rigid law of the circus'.

Trixie falls from a great height while doing her act. A great shout of anguish escapes from the spectators.
